

Welcome to the "Camere Pinte !!!

Welcoming solutions in a court of medieval mark where the stone skilfully worked by hand is combined with the surrounding environment, where revived the past, such as the history of the Caetani family, which dominates with its imposing castle a few meters higher

Stone, iron, wood and brick are the materials of which are substantiated apartments, filled with light and nature of lemon and orange groves own Sermoneta.

"The Court"

Wednesday, 01 September 2010 08:14

A well-head softens and features some of the court, where a terrace opens to the wonderful view of the plain below, a place of quiet and relax in the cool summer evenings.
